

## **Immediate Release**

### **Celebrating Worship on the Square III, July 25, 2009 Celebrating its 3<sup>rd</sup> Year; Worship on the Square Gets Rooted to the Cause and Mission of its Community**

Bring Canned Foods and Help Support Global Outreach Programs. Worship on the Square Promises more than an Evening of Worship; a Lifestyle of Worship...

Atlanta, GA July 15, 2009 - The day's event is free to all and will be held from 7:00 pm to 10:00 pm rain or shine. Director, Debra Black insures that churches, charitable organizations, and herself, once again agree their personal agendas are second place to the over arching theme of unity. "The community needs to see a united body of Christ," says Black. "This event is not about our own interests, it is about God's dream for His people, to unite for His name."

This is the third event for Black who gives God the glory and expects to see a lot of people coming out to attend. "Worship on the Square" was created to provide a gathering place and atmosphere of worship for people. Black is asking attendees to bring canned foods for the Atlanta Dream Center, and to come with open hearts to receive prayer and provide prayer.

The focus of the organization is to unite and encourage fellow believers to live a daily life of worship to the Lord, as so desired from the Lord in John 17:20-26. "Our prayer is that this won't be just another "worship event," where people come, feel like they experienced worship, got their fill and they are good till the next one. Our prayer is that this will be life changing! That we will be encouraged as believers to be bold about the truth we know and hold dear; that we will act and live our lives in complete worship to our Abba Father. We want to encourage the body to be unified together for His cause, and know what is means to be "doers of the word, not just hearers. That all men will know that we are His disciples who serve a living, active, loving Lord who desires us!"

The music will be led by Scott England. England was born in Chicago, Illinois, and found his home in Atlanta, Georgia at an early age. After his high-school graduation, England attended Kennesaw State University on a vocal scholarship. From there he went on to study recording engineering at Georgia State University. With three bands, six albums, numerous recording productions, frequent performances, multiple accolades, and over a decade of preparation under his belt, Scott England is slowly but surely loving his way into the people's hearts all across the globe.

Throughout the night, pastors and leaders from the community will be leading attendees in prayer and reading scripture. The evening's program also consists of prayer circles throughout the park—come and pray for your finances, unity, marriage, anxiety, etc. These are some examples of our communities' needs and yours.
